

May 2024 Program Spotlight

Meet Craig Knitt, Creative Arts Specialist for the [Boys and Girls Club of the Bay Lakes Region](#) in Northeastern Wisconsin. Craig specializes in filmmaking and has had youth create, act in, and produce their own films. According to Craig, art and creation are a “...*healthy and positive experience because that process is so in tune with what it is to be human...*” Listen to a deep dive into art, creating, and the impact the artistic experience can have on youth in [this episode](#) of the Beyond the Bell with WOSTA podcast.
